REGISTRATION

Online registration will open on **NOVEMBER 15, 2020**. The registration link will be posted on our facebook page and website.

FREE REGISTRATION for all PSBMB Life and Regular Members (with paid annual membership dues).

47TH PSBMB ANNUAL CONVENTION

A VIRTUAL INTERNATIONAL CONFERENCE

RESPONDING TO HEALTH AND ENVIRONMENTAL ISSUES THROUGH BIOCHEMISTRY AND MOLECULAR BIOLOGY

DECEMBER 1-4, 2020

ABOUT THE 47TH ANNUAL CONVENTION

The Covid 19 pandemic brought numerous challenges and there are still a lot of scientific studies needed to formulate effective response. Thus, this year, PSBMB has invited esteemed experts to share their significant studies important in addressing current issues of this pandemic.

CALL FOR PAPERS

POSTER PRESENTATIONS

PSBMB Members and interested participants are invited to send their papers for poster presentation. Papers must contain new data that have not been presented in any scientific conference in the Philippines.

Email your abstracts to psbmb.paper@gmail.com

YOUNG SCIENTISTS' FORUM

The Young Scientists' Forum (YSF) was established in 1995 as a competition for undergraduate research projects. This is to encourage undergraduate students to actively pursue their research interests in the field of biochemistry and molecular biology. Extended abstracts must contain new data that has not been presented elsewhere.

Email your extended abstracts to psbmb.youngscientistsforum@gmail.com

DEADLINE of submission of abstracts and extended abstracts is on **OCTOBER 15, 2020**. Submission guidelines are posted in the website.

CALL FOR NEW MEMBERS

Membership to PSBMB is open to professionals and students in the field of biochemistry and molecular biology and related fields from academic, research, and industrial institutions.

Lifetime membership is available for active regular members for one time payment of PHP 5,000.00

New members can apply for regular membership for PHP 800.00. The annual fee for the regular membership is at PHP 500.00.

ABOUT THE HOST

PSBMB CENTRAL LUZON CHAPTER

The Philippine Society of Biochemistry and Molecular Biology (PSBMB) Central Luzon Chapter was organized in 2014 covering Region III. The goal is to promote biochemistry and molecular biology in the whole region by conducting scientific seminars and training-workshops for researchers, teachers, and students. Among its major accomplishments were the successful conduct of the 1st Biotechnology Symposium in 2017, and the Capacity Enhancement Training in Basic Molecular Biology Techniques for Science Teachers and Researchers in 2019. The members are composed of scientists, researchers, educators, and students from agriculture, technology, and research and development. They usually come from agencies or institutions, and state colleges, and universities (SCUs) from the provinces of Aurora, Bataan, Bulacan, Nueva Ecija, Pampanga, Tarlac, and Zambales. This year, 2020, the PSBMB Central Luzon Chapter will serve as the local organizer of the 47th National PSBMB Annual Scientific Convention.
