ABOUT THE HOST

PSBMB NORTH LUZON CHAPTER

The Philippine Society of Biochemistry and Molecular Biology (PSBMB) Northern Luzon Chapter was organized in 2010. The goal is to promote biochemistry and molecular biology in the whole region through the conduct of scientific seminars and training-workshops for faculty, researchers and students. The Chapter hosted the 39th PSBMB Annual Convention with the theme "Agricultural Biotechnology & Biodiversity: Towards Sustainable Development" at Fort Ilocandia Hotel, Ilocos Norte in 2012. The members are composed of scientists, researchers, educators and students in biology, molecular biology, biochemistry and other allied fields. They come from agencies or institutions and state colleges and universities. This year, 2021, the PSBMB North Luzon Chapter will serve as the local organizer of the 48th PSBMB Annual Convention.
